

The Drivers Edge Tech Inspection Form and Waiver of Liability

As a participant in this high-performance driving event, you are responsible for the safety of your automobile and need to know the conditions of all items on the list below. By participating in this event, you realize and accept full responsibility for all risks taken. The following is a minimum list of items that must be checked by a qualified shop and or certified ASE mechanic **within 30 days prior to event**. A re-tech verification may be performed at the event if any tech/safety item is in question to verify, it is not a comprehensive technical inspection. TDE and tech inspectors/shop assume no responsibility for the safety of you or your automobile. Any vehicle that does not pass the following tech inspection **will not participate** in the event and the **driver forfeits 100%** of the event fee. ***Drivers of new cars (less than a year old) and have less than 10,000 miles and have NOT been in an accident may inspect their own vehicles.**

----- Qualified Inspector or Certified Shop Tech must initial each item -----

- _____ 1. **Windshield** - no cracks that would affect driver or instructor visibility, wipers functional with good blades.
